

Sodus Street Studio

Home Page Wireframe

Page URL

/

Page Goal

Create a warm, professional homepage that introduces Sodus Street Studio as a welcoming multimedia studio in Clyde, NY, explains the available services, builds trust with local creators, showcases the studio space, and drives visitors toward booking a session.

The homepage should feel creative, approachable, professional, and local. It should make beginners feel comfortable while still showing that the studio can support serious creators, musicians, podcasters, entrepreneurs, and storytellers.

Primary CTA

Book a Session

Secondary CTA

Explore Services

Supporting CTAs

- View Studio Space
- Listen to Samples
- Contact Us
- Ask a Question

1. Header / Navigation

Purpose

Help visitors quickly reach the most important pages and actions.

Desktop Layout

Left

- Sodus Street Studio logo

Center Navigation

- Services
- Studio Space
- Portfolio
- Booking
- FAQ
- Contact

Right CTA

Book a Session

Mobile Layout

Use a simple hamburger menu with priority actions.

Priority Mobile Actions

1. Book a Session
2. Explore Services
3. View Studio Space
4. Contact

Design Direction

- Clean and simple
- Creative but not cluttered
- Strong CTA visibility
- Sticky header recommended
- Mobile-first navigation

Functional Notes

- “Book a Session” should remain easy to access.
 - Header should not overwhelm the homepage.
 - Portfolio can remain in navigation even if samples are added later.
-

2. Hero Section

Purpose

Immediately communicate what Sodus Street Studio is, who it serves, and what visitors should do next.

Placement

First visible section on the homepage.

Layout

Full-width hero section.

Recommended structure:

- Large studio image or video background
- Text block centered or left-aligned
- Two CTA buttons
- Optional supporting location line

Recommended Visuals

Use one of the following once available:

1. Wide image of the studio space
2. Creator recording at the mic
3. Podcast setup
4. Music or voiceover recording setup
5. Short behind-the-scenes video

Content

Eyebrow

Clyde, New York

Headline

Where Local Voices Grow Louder

Subheadline

A welcoming multimedia studio in the heart of Clyde, NY for podcast recording, voiceover, audio production, music, content creation, and creative consulting.

CTA Buttons

Book a Session

Explore Services

Design Direction

- Warm and professional
- Local but polished
- Creative without feeling chaotic
- Comfortable for beginners
- Serious enough for experienced creators

Functional Notes

- CTA buttons must appear above the fold on mobile.
 - Use a fallback image if video is used.
 - Optimize media for fast loading.
 - The hero should instantly answer: what this is, where it is, and what to do next.
-

3. Quick Action Bar

Purpose

Give visitors immediate access to the highest-value actions without searching through the navigation.

Placement

Directly below the hero.

Layout

Four horizontal cards on desktop. Two-by-two grid on mobile.

Cards

Card 1

Book a Session

Reserve studio time for your next project.

Card 2

Explore Services

See podcast, voiceover, music, production, and rental options.

Card 3

View Rates

Review hourly and full-day pricing.

Card 4

Contact Us

Not sure what to book? Ask a question.

Design Direction

- Simple icons or line-art visuals
- Clickable cards
- Short supporting copy
- Subtle hover effect

Functional Notes

- This section should help both ready-to-book visitors and unsure creators.
 - “View Rates” can scroll to the Rates section or link to the Booking page.
-

4. About Preview

Purpose

Introduce the studio’s mission, story, and local creative purpose.

Layout

Two-column section.

Left

- Section label
- Headline
- Body copy
- CTA

Right

- Studio image, creator image, or detail shot of recording setup

Content

Section Label

About Sodus Street Studio

Headline

Built for Local Creators. Designed for Big Ideas.

Body Copy

Sodus Street Studio is a warm, professional creative facility where artists, storytellers, musicians, podcasters, and entrepreneurs can bring their ideas to life.

Located in the heart of Clyde, NY, the studio offers high-quality recording services in a space designed to inspire, support, and elevate every project.

CTA

Learn About the Studio

Design Direction

- Warm and human
 - Use real studio imagery once available
 - Keep the copy short on the homepage
 - Save the deeper origin story for the About page
-

5. Services Preview

Purpose

Show visitors what they can book and help them quickly identify the right service.

Layout

Service card grid.

Desktop:

- Three-column grid

Mobile:

- Stacked cards or swipeable cards

Content

Section Label

Services

Headline

Recording, Production, and Creative Support

Intro Copy

Whether you are starting a podcast, recording a voiceover, producing music, or creating content for your business, Sodus Street Studio gives you the space, tools, and support to bring your project to life.

Service Cards

Podcast Recording

Professional recording support for solo podcasts, interviews, conversations, and branded shows.

Voiceover Recording

Clean, high-quality audio for narration, commercials, training content, social media, and creative projects.

Audio Production & Editing

Editing support to clean up recordings, improve flow, remove distractions, and prepare content for release.

Music Production

Recording support for artists, musicians, and performers looking to capture high-quality sound.

Mixing & Mastering

Post-production services to improve balance, clarity, loudness, and final polish.

Studio Rental

Hourly or full-day studio access for creators who need a professional recording space.

Creative Consulting

Support for creators who need help shaping an idea, planning a project, or preparing for a recording session.

Content Production Support

Guidance for creators and businesses developing audio, video, or branded content.

CTA

Explore All Services

Design Direction

- Clear service cards
 - Short descriptions
 - Avoid overwhelming visitors with too much detail
 - Use icons, small photos, or simple visual markers
-

6. Rates Section

Purpose

Make pricing clear and reduce friction before booking.

Layout

Two-card pricing layout.

Content

Section Label

Rates

Headline

Simple Studio Pricing

Pricing Cards

Hourly Session

\$75 per hour

Best for:

- Podcast recording
- Voiceover recording

- Short music sessions
- Editing support
- Creative consulting

CTA:

Book Hourly

Full-Day Session

\$500 per day

Best for:

- Full production days
- Multi-episode podcast recording
- Music projects
- Content batching
- Longer studio rentals

CTA:

Book Full Day

Supporting Note

Payment is due upon booking.

Cancellation Note

Cancellations require at least 24 hours notice. Late cancellations may incur a fee.

Design Direction

- Pricing should be easy to find
 - Keep layout clean and transparent
 - Avoid hiding rates behind a contact form
 - Use direct booking CTAs
-

7. Studio Space Preview

Purpose

Build trust by showing the physical environment, setup, comfort, and professional tools.

Layout

Immersive split section or gallery preview.

Left

- Image gallery or large studio image

Right

- Section label
- Headline
- Body copy
- Feature list
- CTA

Content

Section Label

Studio Space

Headline

A Creative Space Built for Focus, Comfort, and Quality

Body Copy

Sodus Street Studio blends Clyde's historic character with a modern, intentionally designed creative environment. The space is warm, comfortable, and built to support creators at every level.

Feature List

- Podcast and voiceover recording setup
- Audio production environment
- Comfortable creative space
- Professional recording equipment
- Acoustic treatment

- Engineer guidance
- Guest approval available in advance
- Modern studio in a historic Clyde space

CTA

View Studio Space

Design Direction

- Use real studio photos once available
 - Make the room feel welcoming and professional
 - Highlight comfort and quality
 - Avoid making the space feel larger than it is
-

8. Booking CTA Section

Purpose

Create a strong mid-page conversion point for visitors ready to book.

Layout

Full-width banner section.

Content

Headline

Ready to Record, Create, or Bring Your Idea to Life?

Body Copy

Book a session at Sodus Street Studio and we'll help guide the process from first take to final project.

CTA Buttons

Book a Session

Not Sure What to Book? Contact Us

Design Direction

- Strong visual contrast
- Clear booking action
- Supportive secondary CTA for unsure creators
- Keep copy short and encouraging

Functional Notes

- “Book a Session” links to </booking/>.
 - “Contact Us” links to </contact/>.
 - This section should appear before portfolio so visitors do not need to scroll to the bottom to act.
-

9. Portfolio / Samples Preview

Purpose

Provide proof of quality and show what the studio can help create.

Layout

Sample card grid or audio/video preview section.

Content

Section Label

Portfolio / Samples

Headline

Hear What's Possible at Sodus Street Studio

Body Copy

Explore samples from podcasts, voiceovers, music projects, and creative sessions recorded or produced at Sodus Street Studio.

Sample Types

- Podcast clips
- Voiceover demos
- Music recordings
- Edited audio samples
- Branded content samples
- Before-and-after audio examples

CTA

Listen to Samples

Placeholder State

If samples are not ready yet, use:

Portfolio samples coming soon.

Supporting copy:

We'll be adding audio clips, podcast samples, voiceover demos, and project highlights as new work becomes available.

CTA:

Book a Session

Design Direction

- Add audio players once samples are available
 - Use project cards with short descriptions
 - Include client names only with approval
 - Add testimonials once available
-

10. FAQ Preview

Purpose

Reduce hesitation and support first-time creators before they book.

Layout

Accordion preview with 5 to 7 questions.

Content

Section Label

FAQ

Headline

Questions Before You Book?

Recommended FAQ Preview Questions

1. Do I need recording experience?
2. What should I bring to my session?
3. Can I bring guests?
4. Do you offer mixing and mastering?
5. Can I book the studio for a full day?
6. What is your cancellation policy?
7. Can you help me choose the right session?

CTA

View All FAQs

Design Direction

- Use accordion layout
- Keep answers short
- Focus on reducing fear and confusion
- Link to full FAQ page for more detail

11. Contact Preview

Purpose

Give visitors a final way to ask questions, find the studio, or get help choosing a session.

Layout

Split section with contact details and map.

Left

- Contact copy
- Quick contact details
- CTA

Right

- Map embed or location image

Content

Section Label

Contact

Headline

Not Sure Where to Start? We'll Help You Choose.

Body Copy

Have a question before booking? Reach out and we'll help you choose the right session for your project.

Contact Details

Mobile Wireframe Priority

Mobile users should be able to understand the studio and book quickly.

Recommended Sticky Mobile Bar

1. Book
2. Services
3. Contact

Mobile Section Order

1. Header
2. Hero
3. Quick Action Bar
4. Services Preview
5. Rates
6. Booking CTA
7. Studio Space Preview
8. About Preview
9. Portfolio Preview
10. FAQ Preview
11. Contact Preview
12. Footer

Mobile Notes

- Keep hero text short.
- Make booking buttons large and easy to tap.
- Put rates high enough that users do not have to search for pricing.
- Avoid long text blocks.
- Use compressed images.
- Keep contact and booking actions visible throughout the page.
